

**Chico Community Prevention Coalition
February 8, 2024 Meeting Minutes**

Hybrid Meeting via Teams & Enloe Conference Hall- Planetree Room 3:30 PM-5:00 PM

Attendees: Reminder to use QR code or sign in sheet

Mission Statement: CCPC

Staff Introductions- Marie, Maya & Annalise

Spotlight : Partner Introductions

Jennifer serrano – butte county prevention unit – been apart since the beginning, 8 or 9 years, primary focus is youth

Kenzie – butte county behavior – athletes to educate them on mental health and drugs and alcohol – been apart 5 years

Rona – PH intern – Enloe community outreach

Baylee martin- Enloe health community health director – 3 years

Kate- intern HRC

Justin – harm prevention HRC – half a year

Connor – stonewall alliance LGBTQ community, provides resources for youth – 6 months

Hoppie – Boys and Girls club for 22 years, been with coalition for multiple years -

Doug Matthews – medical director – first time at coalition

Sanna – HRC cope coordinator

Daniel Moore – supervisor counselor BCBH – been apart since initiation

Rachel Sanchez – director of community health for HRC

Lena Benton – Psychiatry resident coordinator -

Nathan Swetz – patient navigator (Aegis) - been apart since November

Sector Recommendations:

Media – Deer Creek Broadcasting (Baylee)

Faith – Faith Lutheran Church (Baylee)

Nathan sector rep ? - email him

Hoppy for youth serving organizations and has a youth in mind

Partner Updates:

BCBH Prevention (Kenzie) – updated website (contact info, videos, etc), Youth underage substance use

Youth led philanthropy group (Jennifer) – Civic action, community service, grant writing (mental health grant), have about 20 on council, trying to expand through butte county, always looking for more people to join the crew, always looking for community service events, jserrano@buttecounty.net

Justin Moore – Narcan distribution, work with butte county, trying to strengthen and get the word out, Orchard hospital in Gridley, distributed to 8400 kits

Sanna – CADC conference in DC, similar efforts in Virginia, reached out to students to get them involved in naloxone, offer many trainings in person and online, offer many trainings in person, prevention and law enforcement session

Baylee Martin – Pharmacy at medical center has a drug drop off zone – open 7 days a week – for drug clean outs – walk in through main door, turn left, don't have to talk to anyone , pharmacists are trying to offer resources for people taking medication, you can go as any patient, do one on one counseling – great resources

Nathan Swetz – They are partnering with Medibag – do advertisement for pharmacy bags for prescriptions (48 different locations in Cali), info on drug addiction and overdose as well as numbers to call, 9 other patient navigators for ageist – they can be directly called for any questions, almost a million bags to be printed, finished Xylazine brochures and testing strips, letting parents know the drug is here and needs to be recognized and delt with safely. Xylazine is an animal tranquilizer – bad, eats away flesh when ingested in humans, prolongs effects of fentanyl, does not respond to Narcan

Kenzie – just hired part time staff to do opioid education, contact with schools in butte county, reach out if you want to get youth engaged and educated

Stonewall- working with north valley harm reduction, doing cross education and giving Narcan to places they do trainings at

Upcoming Events:

CCPC – see slide

Ceaser Chavez event – Hispanic resource counsel

African American cultural center – pop up this weekend in Chico and following weekend in Oroville, located at Stonewall. In march – possible block party for trans month
